MEMORANDUM FOR THE RECORD

SUBJECT : Government Service Credit Towards Agency Trial Period

STAT In response to a question from [redacted], OP/PSB, concerning the effective date of the new policy of granting up to two years credit for government employees transferring to the Agency without a break in service, I learned that the policy was approved on 12 January 1981 although the Headquarters Notice ([redacted]) wasn't published until 15 May 1981 and it mentioned no effective date. With DD/PA&E's approval, we decided that the policy was effective on the date the memorandum was approved, not the date of publication of the HN. Advised [redacted].
